

2021

Bucktail Council, Boy Scouts of America

ANNUAL REPORT

BOY SCOUTS
OF AMERICA®

MISSION STATEMENT

The mission of the Boy Scouts of America
is to prepare young people
to make ethical and moral choices
over their lifetime
by instilling in them
the values of the Scout Oath and Law.

SCOUT OATH

On my honor,
I will do my best
to do my duty to God and my country
and to obey the Scout Law;
to help other people at all times;
to keep myself physically strong,
mentally awake,
and morally straight.

Prepared. For Life.™

Letter from the Council Key-3

We are truly excited to present to you the 2021 Bucktail Council, BSA Annual Report. 2021 was a great year for the council!

Scouting is a program that continues to provide an impact in the communities that we serve. The Bucktail Council serves the counties of Cameron, Elk, Jefferson and Clearfield along with the western portion of Centre County. Scouts and Scouters provide more thousands of hours of community service. From Eagle Scout projects to Scouting for Food, Scouts give back in a wide variety of ways.

We are making a difference in the lives of many youth and adults throughout the Bucktail Council by partnering with more than 30 organizations located in the Bucktail Council. These partnerships are key to the success that we share.

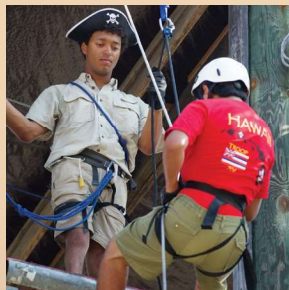

The Bucktail Council can't do it alone. Not only does it take solid partnerships to sponsor Scouting, we are also grateful for the hundreds of volunteers who share their time, talent and treasure to make it happen! In addition, we are thankful for the many foundations, companies and individuals that provide the resources to provide Scouting.

As we move toward the 100th anniversary of the Bucktail Council in 2030, we continue to adapt to the needs of youth. We are excited about providing quality experiences through our programs, facilities, and leadership development.

Gregory S. Kunselman
Council President

James B. Davis
Council Commissioner

Gregg T. Bennett

Participants: 0 Groups: 0

Bucktail Council Total Membership: 829

Total Packs, Troops, Crews, Posts and Groups: 45

Camp Mountain Run Programs

The Bucktail Council owns and operates one camping facility for Scouts and the benefit of the community. Camp Mountain Run is used to supplement the programming of a local unit. This camp offers programs that, because of terrain and natural resources, offer a challenge to our Scouts.

During the formative years, the program operated with no established facilities or owned equipment. Other camping programs were developed through the use of leased equipment. The success of this pilot program led to the Bucktail Council to launch a capital campaign to raise the necessary funds to purchase equipment for the new Camp Mountain Run program.

Today, Camp Mountain Run is a coeducational aquatic and camping adventure of a lifetime offering a combination of experiences throughout the state. It is a complex that includes a wide variety of boats, aquatic equipment, study facilities, lodging facilities, a dining area, climbing facilities, camping equipment, and an experienced staff. The camp operates on a full twelve-month schedule. In addition to summer programs offered to Scouts, Camp Mountain Run serves as a conference center for adult leaders of Scouting and other related not-for-profit agencies.

The camp also serves Scouting's membership living within a 500-mile radius with short-term programs conducted on weekends. The camp makes an excellent location for this type of year-round activity. Elementary school children from surrounding communities participate in one and two-day environmental workshops held at the camp during the school year. These children are served in addition to the more than 700 Scouts and Scouters during the summer months.

To support these various activities, Camp Mountain Run maintains several permanent structures. The current facilities include a pool, trading post, a nature building, a state of the art campsite for seasonal staff, a maintenance facility, ranger's residence, a citizenship building, administration building and a warehouse building used for equipment issue and storage. There is also a dining hall that houses the kitchen and dining room. In addition, there are also several cabins for weekend stays.

The outdoors is where the Scouting program thrives!
