Bucktail Council

Dear Life Scout,

Congratulations! Your achievement of the Life Rank is a sign that you have truly embraced the heartbeat and spirit of Scouting. You now have a deeper understanding of Scout spirit and service to others, so it is time to plan your success in achieving the rank of Eagle Scout.

Attached are especially important documents that will help you prepare for your journey to Eagle. Read each of them carefully and understand what YOU are required to achieve to join the world's elite group of Scouts. It must be your desire not that of your parents or unit leaders, which will be the driving force to a fun and rewarding pursuit.

Attached documents include:

- Eagle Scout Service Project Workbook 512-927 (which includes the Fundraising application)
- Section 9 "The Eagle Scout Rank" from the National Council's Guide to Advancement
- Eagle Scout Application 512-728
- Letter to potential letter writers (Eagle Scout candidate needs three letters of reference submitted.)
- Eagle Scout application personal statement advice
- Eagle Scout project tracking record
